Evidence he is sure about	Evidence that makes him suspicious
<i>He is wearing the same type of clothes he usually wears.</i>	Everything looks very new. His coat was bought yesterday in London.
He answered all the questions correctly.	He has a strange look in his eyes.
	He didn't know about his favourite type of cigarette.
	The X-ray camera showed that he is carrying a gun – a strange sort of weapon they hadn't seen before.
