4    So, where is it?

Where is what?

You know what I'm talking about. Where is Mjollnir, the magic hammer you've taken from Thor?

Ha! Yes! It's true. I took the hammer from Thor while he was fast asleep! He didn't see a thing! He's not very clever for a god, is he?

It's ours! Return it to us! Right now!

No way!

If you don't give it to us at once, the gods will attack you!

You know that you can't fight against me if I have the hammer Mjollnir! I will be much stronger – I will win!

Very well, then, I have an idea. Listen, if we give you something else, then will you give us Mjollnir?

Hmmm ... That's not a bad idea. After all, it's not Mjollnir that I want ...

No? What is it that you want?

The goddess Freyja! She's the most beautiful woman I've ever seen. I want to marry the goddess Freyja!

So, if you can marry Freyja, will you give us the hammer?

Exactly right!

I'll see what I can do.
